Speechless. Casa Loma will leave you just that. Drop dead gorgeous. It's all that. A designer's and entertainers dream in the heart of Centro. Where traditional meets contemporary, and they hit it off with stylish exuberance. Ample chef's kitchen and dining area. Private guest quarters. Four seasons inspired living area enjoy sunsets from the large plunge tub. Rooftop playground with grill center that will have Aaron Franklin begging to be invited. Ahh, and the heated pool. Wind down in the glow of the sunset and toast to those closest. While the deed currently shows 120 m2 construction with renovations it now has 197.80 m2 of construction which is in the...
